Re: Commercial lease ETL-2015-3408, annual rent confirmation

Dear Mr. McGee,

This letter confirms the rent terms for the upcoming period under your commercial lease for the ground floor and basement at 34-08 30th Avenue, Astoria, NY 11103. The base rent remains $12,000 per month. There are eight years remaining on the term. No escalation applies for the coming year under the schedule in the lease.

Per your request, we confirm that the sidewalk patio footprint of 24 seats is permitted under the current lease for the April through October season, subject to your maintaining the city sidewalk cafe license in your own name. The patio furniture must be stored off the public way when the season closes on October 31, 2026.

Please direct maintenance requests to the management office. Rent continues to be payable from your business operating account on the first of each month.

Sincerely,

Property Management
