Miscellaneous	$4,583	$55,000
Total expenses	$95,833	$1,150,000
Net income	$16,667	$200,000

Notes

- Tracking to plan on revenue. The monthly column is the plan average, annual divided by twelve.
- Food and beverage held near plan. The fall fish pricing from Kevin Walsh will push food cost up in Q4, flagged for the menu costing review.
- Labor ran slightly high on two Saturday doubles. Sophia is balancing the schedule.
- These figures are internal and stay between Carlton, Ellen, Daniel, and the accountant.
