BISCAYNE BAR ASSOCIATION

Technology Committee, meeting minutes excerpt

September 29, 2026

4. Mentorship intake pilot.

Four change requests from the September review stand as the acceptance bar for the fall build.

Resolved: per CR-5 the intake response promise reads ten business days, the volume intake can actually staff.

Noted: the pairing widget counts pairings still in qualification, read live from the program CRM.

Resolved: the pilot record stage moves only on committee sign-off; findings are logged on the pilot record before the session. Vendor status reports are informational and do not substitute for the review.

Next session: second Tuesday of October, remote.
