Hartford Public Schools - Nutrition Services

The Five Food Groups (MyPlate reference)

Classroom reference handout for family nutrition nights. Groups are listed in the standard MyPlate reference order below.

1. Fruits - vitamins and natural sweetness.
2. Vegetables - vitamins, minerals, and fiber.
3. Grains - carbohydrates for daily energy.
4. Protein - builds and repairs the body.
5. Dairy - calcium for strong bones and teeth.

Plus: oils and fats in small amounts for a balanced plate.

Note: this is the district reference order. Classroom displays may present the groups in a different sequence chosen by the students, and may leave some categories off entirely. Follow the classroom display when one is provided.
