HARTFORD PUBLIC SCHOOLS

Fall Building Condition Inventory · Room Condition Summary

Accompanies principal certification

Building: Bridgeport Avenue Elementary · 1540 Bridgeport Avenue, Hartford, CT 06106
Room: 112 Grade level: 4 Inventory cycle: 2026-27
Prepared for: Marta Reyes, Facilities Coordinator, Office of School Facilities
Reason: Room altered over summer 2026; record corrected to current state.

CURRENT ROOM CONDITION (as walked, fall inventory cycle)

Wall color: Pale peach, with a light blue/teal accent wall at the entry
Flooring: Vinyl tile, dark gray/charcoal
Seating: Individual student desks with separate chairs (loose arrangement)
Daylight: Exterior windows on the far wall admitting daylight
Cooling: Through-wall / window AC unit
Door: Painted, light blue/teal

SUMMER 2026 CHANGES (why this room required a corrected record)

- Flooring replaced: carpet removed, new vinyl tile installed
- Room repainted: pale blue to pale peach with a blue/teal accent at the door
- Seating changed: group tables (6 clusters) removed; individual student desks returned to the room from the annex
- Door repainted from natural wood to light blue/teal

Field to confirm: prior record listed Room 112 as interior with no exterior windows and central HVAC. Room as walked shows exterior windows and a through-wall AC unit. Noted for facilities review before the record is locked.
