Prepared for: Eleanor's Tavern, attention Carlton McGee

Quote date: February 20, 2026 Pricing effective: October 1, 2026 Agreement reference: ASA-2024-0193

Revised pricing

Item	Unit	Summer 2026	Q4 2026
Atlantic cod, skin on fillet	per lb	$11.50	$12.25
North Atlantic haddock	per lb	$10.75	$11.40
Day boat sea scallops, U10	per lb	$24.00	$26.50
Wild striped bass	per lb	$14.25	$15.10
Littleneck clams	per 100 ct	$28.00	$29.50
Faroe Island salmon	per lb	$12.90	$13.75

Kevin, these are the Q4 numbers we discussed on the Tuesday call. The scallop and salmon moves are the ones to talk through before we lock the fall menu costing. Delivery stays Tuesday and Friday before 7 AM to the back door. Let me know if the volume on cod gets us back toward the summer number.

Prices held through December 31, 2026. Subject to market on storm weeks. Standard net 14 terms, paid from the operating account.
